Applicants request that the inventorship in the above-identified application be amended by deleting Ming Zhao and Norimitsu Saito as inventors who were inadvertently designated inventors when the application was filed.

This request is supported by a verified statement by Ming Zhao and Norimitsu Saito as required by 37 C.F.R. § 1.48(a) indicating that such inclusion took place without deceptive intent, and by a Substitute Declaration, executed by Lingna Li, as required by 37 C.F.R. § 1.63.

In reevaluating the inventorship, it is clear that Lingna Li is the sole inventor of the claims currently pending and it is therefore incumbent upon the applicants to correct inventorship. The Patent and Trademark Office is respectfully requested to correct the inventorship.

Respectfully submitted,

Dated: May 19, 2003
